

CAMP SAVE-A-WATT™

CAMP CRAFT: Catapult

SUPPLIES NEEDED

- [Jumbo Popsicle Sticks](#)
- [Rubber bands](#)
- Plastic Spoon
- Cotton balls, [pom poms](#), small toys

STEPS

1

Take 8 popsicle sticks and stack them together with a rubber band on each end.

3

Place the 8 popsicle sticks between the 2 popsicle sticks. Attach a rubber band in the center, creating an X. The 8 popsicle sticks act as the fulcrum, the point at which a lever pivots.

2

Take 2 popsicle sticks and stack them together with a rubber band on one end, leaving the other end open.

4

Lastly, attach the spoon and secure with a rubber band on each end of the top popsicle stick.

5

Load your catapult with pom poms or small items and begin launching by holding the top of the spoon down and releasing!
