

## **Notice: Revised Pedernales Electric Cooperative Specifications**

**Posted March 13, 2026**

### **Outdoor Area & Street Lighting Specifications**

- Made minor, non-technical updates to *PEC-Owned Outdoor Area & Street Lighting General Information*.
- Moved IMI-813 (100-watt area light shield) to legacy section. This shield is no longer approved for future installations.
- Updated table of contents to account for IMI-813 revisions.

**Note:** *Summaries listed here and in previous notices primarily include revisions considered technically significant to the referenced specifications. Edits considered technically insignificant may not be listed.*
