

Existing Service Upgrade & Reroutes Form

Thank you for your inquiry on your current service with Pedernales Electric Cooperative, Inc. (the "Cooperative" or "PEC"). We can confirm that the address listed below is located within the Cooperative's service area.

We offer service to all locations within the Cooperative's service area, according to the type of service provided and subject to the provisions of the Cooperative's rates and Line Extension Policy and any other applicable provisions of the Tariff and Business Rules of the Cooperative. The Board of Directors of the Cooperative may amend the Tariff and Business Rules at a Board meeting with notice posted prior to such meetings.

Please review and provide the following information, as needed to process your upgrade. After review, a PEC Representative will contact you to schedule an onsite meeting to discuss the project.

RESIDENTAL/COMMERCIAL/LARGE POWER CONSTRUCTION:

- Load Data
 - Loads sheets
 - Electrical drawings including one-line diagram
- Approved and stamped construction plans by City/County in CAD & PDF format (as needed)

Requirements BEFORE project may be Released for Construction by PEC:
