

PEC Board of Directors Election

THIS YEAR, MEMBERS WILL VOTE FOR DIRECTORS IN DISTRICTS 2 AND 3

One of the unique benefits of being a PEC member is the power to vote! As a member, you have the opportunity to help shape the cooperative's future by participating in our annual Board of Directors election. Members in districts 2 and 3 are eligible to vote for board directors in our 2026 election.

If your primary account is in district 2 or 3 and you are interested in running for the

PEC Board of Directors, please complete a nomination packet and submit your materials to PEC Headquarters by 5 p.m. on March 20.

Visit myPEC.com/election for more information on the 2026 election and to download a nomination packet.

ELECTION FAQs

Can all members of my household vote?

No, only the primary registered PEC member may vote. Joint membership holders (such as spouses) have a single vote.

What if I have homes in multiple districts?

Your voting district is tied to the primary account associated with your PEC membership fee. The service location of that account determines your voting district, even if you have multiple homes. Your voting district is shown on your bill in the upper right corner.

What if I have residential and business accounts?

If your business is a sole proprietorship, you likely have one membership between accounts and one vote. If you own a corporation with a separate membership, you may have a separate vote associated with that account. Call us at 888-554-4732 if you would like to verify your status.

Can I change my voting district?

Members who have multiple meters located in different districts may change their voting district once every three years by calling 888-554-4732. Please note, changing your voting district will also change the account associated with your membership fee.

Do candidates have my mailing address?

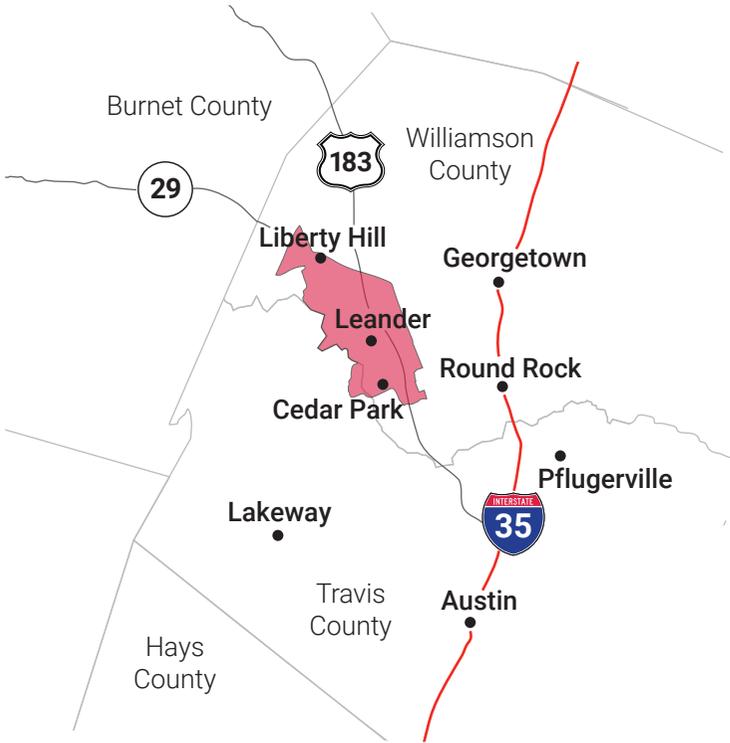

We don't share our member mailing list with marketers, but we do share it with PEC director candidates upon request. To remove yourself from our membership mailing list, voter history list, and election email list, call 888-554-4732.

Interested in serving your community?

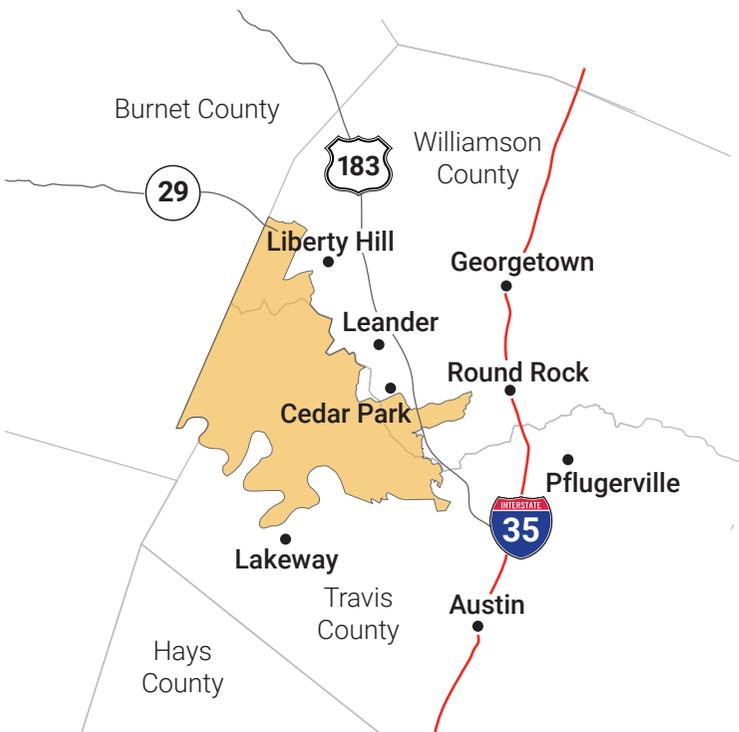

Run for a PEC Board Director seat in the district where you live. This year, elections are for districts 2 and 3. See guidelines and materials at myPEC.com/election.

LEARN WHO REPRESENTS YOU

PEC recently rebalanced our district maps to ensure equitable representation of members across all districts. These changes reflect population growth in various areas as well as projections for future growth.

Use this map to find your district and visit myPEC.com/board-of-directors to learn more about the board director who represents you. If you're unsure of your district, you can find your district number on your bill in the upper right corner.

What's the Use?

STAY ON TOP OF BILLS WITH PEC ACCOUNT TOOLS

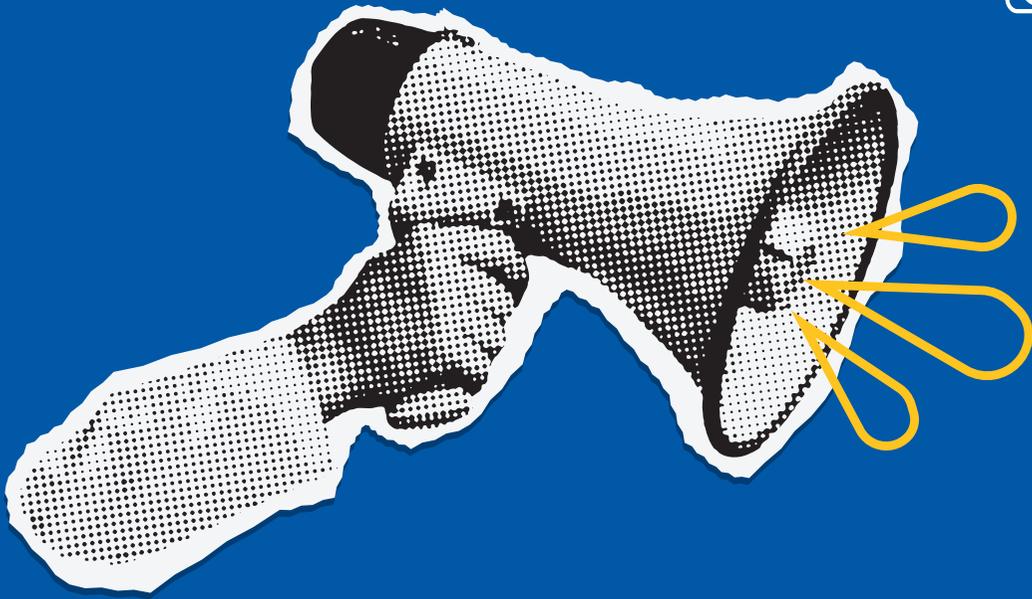

Your online account provides an easy and convenient way to stay informed about your energy use, pay your bill, and report outages. To log in, visit myPEC.com/account or use the SmartHub app.

Your account includes robust tools that allow you to compare energy use over time and against weather data. Tracking your energy use lets you see if you're using more energy than usual and empowers you to adjust if necessary. You can even set notifications for when you've used more than a certain amount of energy.

You can find key monitoring tools through your account, including:

- > **Usage Explorer:** Provides a detailed look at your past and current use, all in one place.
- > **Usage Comparison:** Provides side-by-side bill comparisons.
- > **Average Usage:** Shows your typical or average use by month, day, or even hour.
- > **Planning:** Ability to create trackers to monitor changes in energy use during specific time frames.

Log in and explore at myPEC.com/account.

PEC to Award **SCHOLARSHIPS** This **Spring!**

APPLY BEFORE FEBRUARY 25

PEC is proud to support continued education in Central Texas through our scholarship program.

Do you know a high school student planning to pursue higher education? Whether for college, technical school, or trade school, they can apply for a PEC scholarship! Applicants must be graduating seniors with a parent or guardian who is a PEC member in good standing.

“It’s such an honor to award scholarships to these deserving

students,” said PEC Community Relations Manager Celeste Mikeska. “Investing in their futures will support not only them, but our cooperative and our communities.”

PEC scholarships are funded by unclaimed property returned to us by the state.

The deadline to apply is 11:59 p.m. on February 25. Learn more at myPEC.com/scholarships.
