

CAMP SAVE-A-WATT™

CAMP CRAFT: 5-Minute Slushie

SUPPLIES NEEDED

- 1 quart-sized Ziploc freezer bag
- 1 cup of your favorite beverage
- 1/2 cup of salt (rock salt works best, or regular table salt works as well)
- 1 gallon-sized Ziploc freezer bag
- 2-3 cups of ice

STEPS

1

Pour 1 cup of your beverage into the quart-sized bag and seal tightly.

2

Fill the gallon sized bag with 2-3 cups of ice, 1 cup of water, and 1/2 cup of salt.

3

Place the sealed quart bag inside the gallon bag and seal the larger bag closed.

4

Shake vigorously for 3 to 5 minutes. (Wear oven mitts or use a towel. The bag will begin to get VERY cold.)

5

Once finished, remove your beverage bag and enjoy a refreshing homemade slushie!
