

CAMP SAVE-A-WATT™

CAMP CRAFT: Floating Art

SUPPLIES NEEDED

- Thin dry-erase markers
- Smooth ceramic or glass plate/bowl
- Cup of water

STEPS

1

Draw an image on your plate with a thin dry-erase marker.

2

Slowly pour your cup of water on the side of the bowl, not directly on the image, until the bottom is covered.

3

Watch your drawing pick up from the plate and come to life!
