

CAMP SAVE-A-WATT™

CAMP CRAFT: Glowing Lava Lamp

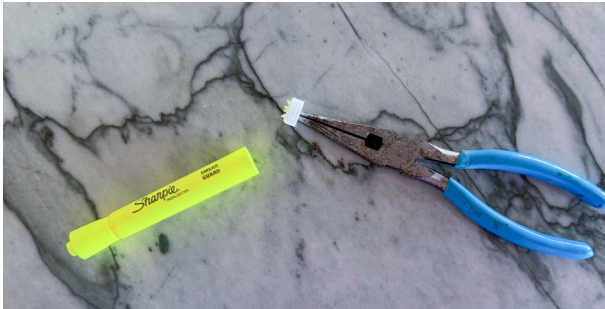

SUPPLIES NEEDED

- Yellow highlighter
- Black light or flashlight
- Clear cup of water
- Vegetable oil
- Pliers
- Salt

STEPS

1

Using pliers, remove the end cap on the highlighter.

2

Fill your cup $\frac{3}{4}$ full and squeeze the highlighter ink into a cup of water, and mix.

3

Pour a layer of vegetable oil on top of the water.

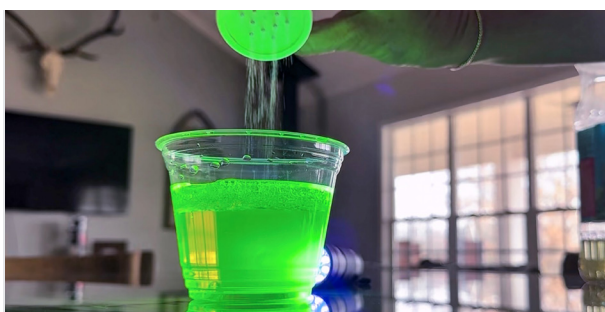

4

Shine the blacklight on the cup to watch it glow.

5

To create a glowing lava lamp, add some salt to the top.
