

Notice: Revised Pedernales Electric Cooperative Specifications

Posted September 29, 2026

Outdoor Area & Street Lighting Specifications

- Pages 2 & 3: Made minor, non-technical revisions to *Contents* and *PEC-Owned Outdoor Area & Street Lighting General Information* intended to make the text easier to read.
- Page 3: Added the following sentence to the *Dark-Sky Lighting* section of *PEC-Owned Outdoor Area & Street Lighting General Information*: "In certain scenarios, PEC may install similar dark-sky approved outdoor lighting fixtures outside of those listed in this specification."

Note: *Summaries listed here and in previous notices primarily include revisions considered technically significant to the referenced specifications. Edits considered technically insignificant may not be listed.*
