

2027 PEC Youth Tour Contest – Adult Reference Instructions

As part of your application for the 2027 Youth Tour Program, you are required to provide a reference from an adult. This reference needs to be 18+ and of no relation to you.

Please note that the adult reference form will need to be completed and submitted by the application deadline, or you will not receive any points for this portion of your application. References are asked to complete all forms by November 11th, to ensure that all parts of the application are completed by the November 12 deadline.

Step 1:

Scroll to the section labeled Adult Reference Form. Input the email address of your adult reference and send it to them to ensure there is ample time to complete the required form.

You can send this request at any time by hitting the "Send Request Now" button. This will allow you to send your request while still working on your application.

The Adult Reference section is after the PEC Membership Information section. See below.

Step 4:

Please do not wait for your reference to complete their form before submitting your application. Instead, submit your application as soon as you are done. Completed adult reference forms will automatically populate and be visible to us, as long as they are submitted by the deadline. Waiting until the deadline could cause technical issues that might not be resolved before the deadline, **and no late applications will be accepted.**

- You can still resend the request form after your application has been sent, if needed.
- **If your application has been submitted, you will receive a confirmation email once your reference has completed their form.**

If you have any questions, please email us at youthprograms@peci.com.
